The New York City BSD Conference

BRINGING THE BSD COMMUNITY TOGETHER

NYC BSD CON

Saturday, September 17, 2005
Columbia University, Davis Auditorium
New York City, NY

Register online before sept 10th for $20, or register onsite for $40
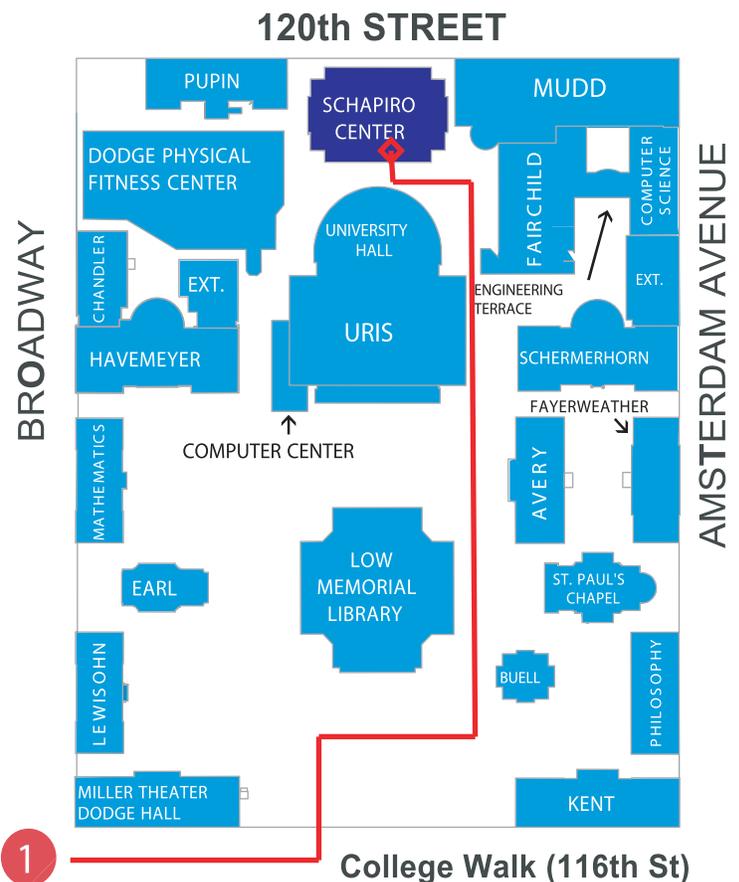

Why would you want to come?

• Participate, and support the BSD community
• Network with some of the best and brightest
• Attend Keynotes by prominent BSD figures
• Sit in on lectures on the latest topics
• Round out your technical knowledge base
• Get together with like minded folks
• Meet in person; put faces with email addresses

Speakers include: Marshall Kirk McKusick, Dru Lavigne, Bruce Momjian, Michael Lucas, Jason Dixon, and more...

? BSD stands for "Berkeley Software Distribution". It is the name of distributions of source code from the University of California, Berkeley, which were originally extensions to AT&T's Research UNIX operating system.
Several open source operating system projects are based on a release of this source code known as 4.4BSD-Lite.
